The GFWC Oregon clubwomen who attended GFWC Orientation this last winter received advance information on how report writing will be changed in this new administration. There is also a new fundraising program and new partnerships. I look forward to the next two years as a time of growth and re-educating ourselves. I urge all clubs to encourage their members and prospective new members to attend State and District meetings. There is a wealth of information available from GFWC at www.GFWC.org. Everyone is encouraged to subscribe to GFWC News & Notes and the Clubwoman magazine.

I look forward to serving as your 2012-2014 State President.

2013 STATE CONVENTION

State Convention will be at the Oregon Garden Resort in Silverton, May 17-18, 2013. The Resort, which has been open for 3 ½ years, features 101 guestrooms located on 11 acres adjacent to the Oregon Garden. Each lodging unit features a fireplace and private deck or patio. The Resort also features a full service spa, restaurant, lounge, outdoor pool and hot tub.

Pathway to Guest Rooms Aug. 2008

Axis Garden

The Oregon Garden has more than 20 specialty gardens. The Gordon House adjoining the garden is the only home open to the public in the Pacific Northwest designed by renowned architect Frank Lloyd Wright. You will be receiving more information in the coming months. Mark your calendar now!

INTERNATIONAL CONVENTION IN CHARLOTTE

A great time was had in Charlotte, North Carolina for the 2012 GFWC Annual Convention. The Oregon Clubwomen attending were myself, Joann Wheeler, Glenda Peters, and Maria Anderson, our 2012 LEADS candidate.

INTERNATIONAL CONVENTION IN CHARLOTTE

The banquets were wonderful – excellent food, informative, and entertaining presenters. The workshops offered were packed with information on changes in reporting – nothing major unless you are a state president. You will be hearing more about this at future State and District meetings. Attending International Convention is a great way to learn about what is happening in other states, and more importantly, forming new and lasting friendships with other GFWC Clubwomen. Mark your calendar --- the 2013 GFWC Annual Convention is June 30-July 2, 2013 in Hollywood, Florida.

**This Newsletter is dedicated to Pat Cameron
November 1, 1932 - May 24, 2012**

Pat was a most valuable member and greatly appreciated. She was an inspiration and exemplified the spirit of our organization. She joined the GFWC Roseburg Woman's Club in 1999 and was currently serving as their Club President. She also served as the President of the GFWC Southern District.

She worked in the Aerospace Industry, at Umpqua Title, and in Real Estate for a number of years before retiring. She was the reigning Red Hot Mama's Queen, a member of OFWC, ABWA, Newcomers, BUNCO and various other organizations.

Pat was a loving friend to many, a Mother, a Grandma,
a Great Grandma.....a beautiful person!

SUMMER & FALL

The Official Call to the 2012

Annual Conference of the Western States Region

Anchorage, Alaska

September 5th – 9th*“Opening Doors of Opportunity with GFWC”*

Kathy Janssen, President

Greetings WSR Club members,

Each of you is personally invited to attend the 2012 Western States Region Conference to be held at the Sheraton Anchorage Hotel in Anchorage, Alaska. So spread the word, don't let a single club member miss out, and **MAKE YOUR RESERVATIONS TODAY!**

Our GFWC International President, Mary Ellen Laister, and our GFWC International President Elect, Babs Condon, will be guests for the duration of the Conference. President Laister will bring us a message at Friday's WSR-GFWC, "Opening Doors of Opportunity with GFWC" banquet. On Saturday President Elect, Babs Condon, will present a workshop titled, "Where in the World is Reporting Now?"

Chairman Julie Wold and GFWC of Alaska have a wonderful variety of events planned just awaiting your arrival. Come early and enjoy a bit of Alaska before we get down to business. Tours starting Thursday morning will take us to the Alaska Native Heritage Center, then in the afternoon we will visit the Happy Trails Kennels of four time Iditarod Champion Sled Dog Racer, Martin Buser. Thursday evening we'll be having dinner at the Sourdough Mining Company where we will hear the tales of Dusty Sourdough.

Friday morning we will tour Anchorage with a stop at the Ulu Factory. Then to the Pioneer Schoolhouse where our 1915 School marms will take us back in time, to the early days of education in Anchorage. Friday afternoon we'll be back at the hotel, for a Membership Workshop, and then the Board of Directors Meeting. We'll be getting all spruced up for the banquet Friday night.

Our Saturday Luncheon, "Stepping up to Opportunity", will be spotlighted by Speaker, Dominique Bartteet, A former Miss Teenage America, Pharmacist, and the inventor and founder of Onesole Shoes. Our Conference is full of informative and special workshops. We will also hear reports from our State Presidents and our 2012 LEADS graduates. The new workshop presented by your WSR Officers for Club and State Officers will take place Saturday afternoon.

All Regions are holding their State night on Saturday and there are no exceptions. We will be entertained by one of Alaska's premier entertainers, Alice Welling.

Every Club member who registers has a vote at the Conference; so this is your opportunity to join in the *Fun and Friendship that WSR is Famous For.*

As noted Alaskan, Tom Bodette, would say: "We'll leave the light on for you"

Kathy

GFWC Salem Woman's Service Club has been awarded a \$1,200 grant from the Spirit Mountain Community Fund for their non-profit organization, SWSC Community Projects. The funds will be used for Saidie's Cupboard, a program in partnership with the Marion County Health Department that provides emergency bags of household, hygiene and infant supplies to low-income families throughout Marion County who have high-risk infants or children with medical issues. The Confederated Tribes of Grand Ronde through the Spirit Mountain Community Fund fulfills their Native tradition of potlatch, a ceremony at which good fortune is distributed. The Spirit Mountain Community Fund's focus is to improve the quality of life in Northwest Oregon through community investments that provide lasting benefits consistent with the Tribes' culture and values.

2013 Western States Region Conference — September 4-8, 2013

Oregon is HOSTING the Western States Region Conference on September 4-8, 2013 in Portland. Club members will be asked to help in various ways to help make this event a success. Areas of need include: table decorations, programs, goody bags, hostessing, etc. More information will come at the Fall Board Meeting. Co-chairs for the event are Allison Belisle and Heather Thomas.

Woodburn Shopping Extravaganza — Saturday, November 3, 2012

We will once again be participating in the Shopping Extravaganza at the Woodburn Outlet Mall on November 3, 2012. Tickets will be available for distribution to clubs at the State Board meeting in September. This is a great fundraiser for both OFWC and for your club. Clubs will again receive a portion of each ticket sold! Co-chairs are Pam Briggs and Glenda Peters.

Fine Arts Scholarship Fund

The Fine Arts Scholarships are comprised of Penny Art, Violet Lang Music Vocal, Violet Lang Music Instrumental and Essay. Scholarships are awarded to eligible graduating Oregon High School Seniors. Each applicant must be an Oregon resident.

A contest is held each year and scholarships are awarded as follows:

\$500 Vocal

\$500 Instrumental

\$400 Art

\$400 Essay (Theme alternates each year between **Unity and Diversity** and **Growth In Service**.)

Each year it costs at least \$1,800 to hold the contest. The fund must keep \$15,000 in an investment account according to the GFWC OFWC Bylaws. The fund is able to use accrued interest along with donations from clubs and fund raising to support the scholarship program. Due to the stock market crash and low interest rates, the fund is not self-sustaining. It is in dire need of money if the competitions are to continue.

WE NEED YOUR HELP!

Clubs are encouraged to contribute to the Fine Arts Fund. If each club is able to donate \$106 we will have enough to keep the contest going this year. There will be a challenge presented at the Fall State Board meeting. Clubs will receive a purple pencil case to be used as their FUNDS FOR FINE ARTS collection container. It can be passed around at each club meeting or event. The money collected should then be sent to Elsie Dustin the Fine Arts Scholarship Fund Treasurer. Clubs may also consider having a special fundraiser to help raise the \$106. Possibilities include Charity Buncos, selling table runners, selling cards/crafts. The list is endless!

Prizes will be awarded to clubs who are able to raise \$106 or more and to clubs who come up with the most creative way to raise the funds.
